made in New Zealand in the first quarter of 2007, a phenomenal increase of 58% from 2006. Despite its relative distance, New Zealand is clearly attracting travellers far and wide. Travellers from the USA and Canada take top spots, as well as those from the European countries, such as Germany, Switzerland and France.

The data was collected from hotel bookings made from January to March 2007 by HolidayCity.com's customers.
