KUALA LUMPUR, THURS:

Malaysians love travelling to Kuala Lumpur. A survey by an online reservations' company showed that the city is a favourite destination for domestic travellers as it headed the list of the top 10 most travelled destinations locally.

[Holidaycity.com](#), an international online accommodation reservation service provider, said Malaysians favour holiday destinations that are closer to home.

Its marketing and communications manager Hanim Shukor said the survey was based on their records of accommodation booked by their customers.

HolidayCity provides accommodation reservation service in over 600 locations worldwide.

The survey revealed that seven out of 10 destinations booked were within the country.
